

SCNY Monotype Exhibition

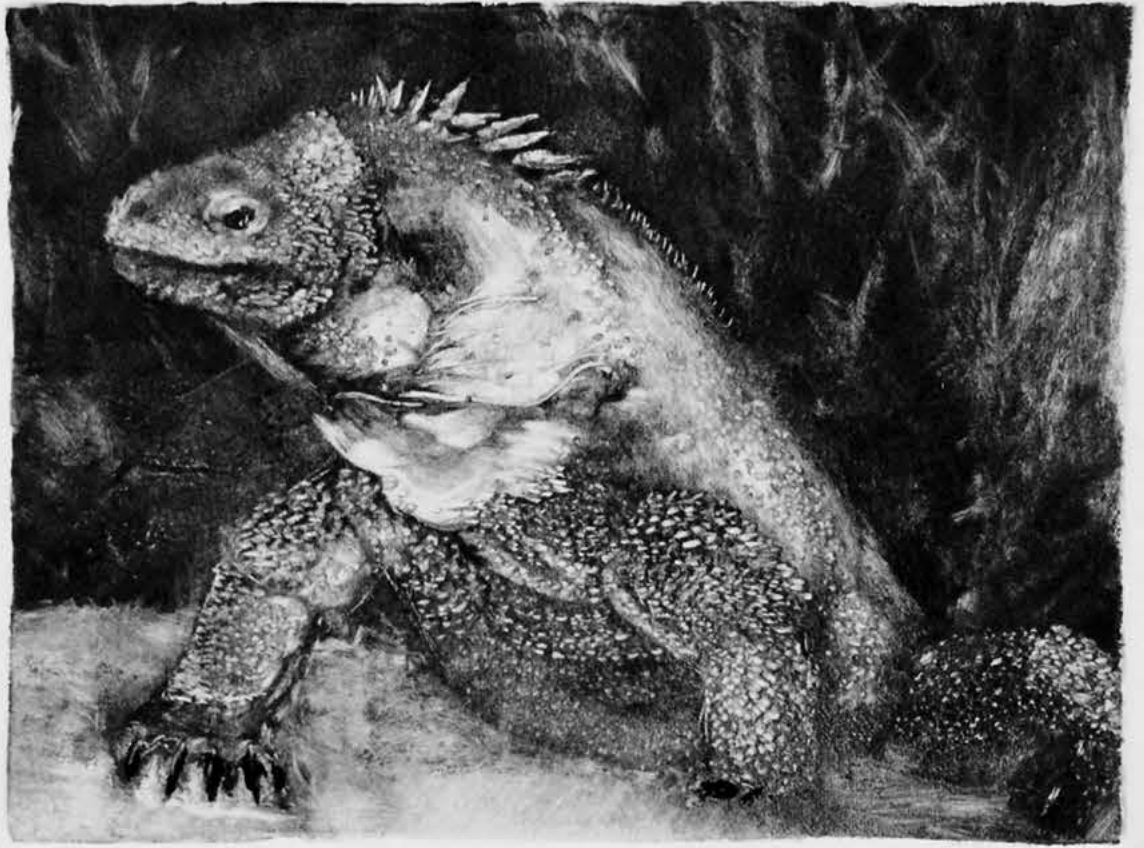

Lower Gallery, June 25, 2018 - July 06, 2018

Monotype and monoprint works by current SCNY Artists Members in a variety of styles and printed on the Club's antique presses.

Over the past five years, the Salmagundi Club has revived its old-time tradition of monotype/monoprint printmaking. This historic activity goes back to the 1880s, with the Club being a recognized center for "Monotype Parties" well into the early twentieth century. These Monotype parties continue today on a monthly basis and are open to the public.

Gallery hours Mon-Fri 1-6PM, Sat & Sun 1-5PM.

Pictured (from 2016): "Iguana Rex" by Karen Loew, monotype, 5x7, collection of Del-Bourree & Kristen Bach.
